Our Story

Our fairytale began on the kindergarten playground. It's where we met, became friends, and dreamed of a magical future. With a cherished family brownie recipe, our dream came true in 1992.

Ever since, we've been baking our brownies in small, handcrafted batches with Belgian dark chocolate, real creamery butter, fine cake flour, and a dash of magic - spreading joy and aspiring to bake the best brownies in the world. We've never used artificial colors, trans fats or preservatives.

Given our playground history, it was only natural for us to partner with the national nonprofit KABOOM! to help their incredible work building safe kid-designed playspaces across the country. Giving all kids the gift of play will always hold a special place in our hearts!
